CAR PARK—UNITING CHURCH ASQUITH

Last year we published a request in the Bulletin from the Uniting Church Asquith, asking that parishioners be considerate on Sundays if they park their cars within the fenced area, which is their car park. Although the school has an arrangement with the Uniting Church for parking during weekdays, there is no such arrangement for weekends. The church authorities are happy to accommodate our parishioners as far as they are able, but are not obliged to do so. Please remember this if you park in their car park for 10am Mass and park as close as possible to the Royston Parade boundary, so that the Uniting church parishioners, who arrive around 11am, can have sufficient parking space close to their church. If we don't comply with this request we will not be able to park there at all.

ST VINCENT DE PAUL WINTER APPEAL this weekend.
 Please give generously to those who are in great need.

Inauguration of the 'Year for Priests': On 19 June, Pope Benedict inaugurated the "Year for Priests", coinciding with the 150th anniversary of the birth of the Cure of Ars, St John Vianney, the patron saint of parish priests. In a long letter to priests worldwide, the Pope frequently quoted the Cure of Ars: "A good shepherd, a pastor after God's heart, is the greatest treasure which the good Lord can grant to a parish, and one of the most precious gifts of divine mercy". The Holy Father recalled the words, which the Cure of Ars put on the lips of Christ: "I will charge my ministers to proclaim to sinners that I am ever ready to welcome them, that my mercy is infinite". The Pope concluded his celebration of the priesthood with these words: "Dear priests, Christ is counting on you. In the footsteps of the Cure of Ars, let yourselves be enthralled by Him. In this way you too will be, for the world in our time, heralds of hope, reconciliation and peace!"

TAX RECEIPTS for Planned Giving Donations were posted during the week for those who contributed by Envelope or Credit Card during the past financial year. Children's Choir We celebrated a wonderful 4th anniversary last weekend, with assistance from St Patrick's School Choir, St Bernard's School Choir, and Year 6 students from St Patrick's. After Mass, the children stayed on to work for another four hours on the recording of our first-ever CD. Many thanks to all parents for their enthusiastic support and the great supply of food! Practice will continue this Friday, from 4pm to 5pm in St Patrick's church, for 10am Mass on 12th July, before our school holiday recess. Enquiries: Patricia Smith 9482 7935

SOCIAL JUSTICE COMMENT Today is **Aboriginal & Torres Strait Islander Sunday** when Catholics are encouraged to focus their worship on Aboriginal and Torres Strait Islander people and their culture and the issues of social justice they represent. www.natsicc.org.au

Migration reform good news at last. New policies emphasise the importance of human dignity and human rights in a policy area that was previously focused on punishment. 'Migration reform' is commonly the wording used for any changes in the Immigration portfolio, but it is not often that it has positive connotations when dealing with refugees and asylum seekers. However in the last 18 months, four changes made by Minister Evans do have positive benefits: *the abolition of the 'Temporary Protection Visa' (TPV) and the 'Pacific Solution' last year; *the second major reform was in detention practice - now the focus is on making detention as brief as possible, with access to community housing; *a related reform is the abolition of detention debts; *finally, the introduction of a new Ministerial Direction (#41) to set out the factors to be considered in character cases. These reforms are welcome and long overdue and we hope and pray the good work continues.

STEWARDSHIP REFLECTIONS:

Today, the Gospel reveals that Jesus is amazed that the people in his hometown of Nazareth do not accept his teaching and ministry; he is amazed at their lack of faith (Mk 6:6).

Good stewards recognize and participate in Christ's teaching, reconciling and healing presence in their community. Are we good stewards of our family of faith? Do we value and support the ministries that take place in Christ's name? Are we attentive to the movement of the Holy Spirit in our parish and encourage those who work to enhance our life of faith?
