Children's Choir 'A church or a school without a choir is like a body without a soul. Singing lies at the heart of worship and education.' (John Rutter). Our church is lucky enough to have a young and vibrant soul! These young singers will one day be our Parish musicians. If your child is in Year 3 or above in any school in the Parish and you would like them to be part of the Parish Children's Choir, bring them to our next practice on Friday at 4pm to 5pm in the church. We sing at 10am Mass every 2nd and 4th Sunday. Enquiries: Patricia Smith 9482 7935

HADCEA is a Christian Organisation that has been supported for more than 20 years by 15 local Christian Churches. The aim of HADCEA is to proclaim the good news about Jesus Christ to the students of the two public high schools that service suburbs from Hornsby north to the Hawkesbury River - Asquith Girls' High School and Asquith Boys' High School.

Two teachers are employed full time by HADCEA to teach Christian Studies at these high schools. These teachers are not employed by, nor funded by, the NSW Department of Education. HADCEA does not receive any external financial support and is therefore totally funded by the Christian Churches and community of the local area.

At the May Prayer Breakfast the treasurer outlined that our Financial position was falling behind and that we only had enough funds to cover next month. As a matter of urgency could you please raise this matter with your congregation so that we can get the HADCEA finances back into the black. Our bank details are: BSB 032 084 Account number 49 0831 Account name: Hornsby and Asquith District Christian Education Association Inc. Or place donations into the St John's Anglican Asquith Mail Box cleared daily. Many thanks
Lyllal Pogue HADCEA Secretary.

Please be aware that the orders must be received before the correct number of books can be sent from Kenya to Sydney. Exact individual prices are unknown until the required numbers are known, but are expected to be around \$30 plus postage.

SOCIAL JUSTICE COMMENT

Australian Women Walking for Peace. The women who left Brisbane on 13 March to walk 1400 kms to Canberra to take a message stick to the Prime Minister have arrived and delivered their message. The message conveyed the hopes and dreams of the Brisbane community and indigenous leaders asking Mr Rudd to protect our natural environment for our grandchildren's great grandchildren. The "leader" Cassie McMahon stated "Caring for our country is important to all of us, particularly as new uranium mines and a global nuclear waste dump are being proposed". Their aim was to communicate with communities en route how the whole nuclear cycle is unsafe and will leave a toxic legacy for over 200,000 years. The world has a range of safe and renewable energy options.

ST LEO'S STUDENTS 'BACK TO PARISH' DAY

Last Tuesday over 300 students who are part of our Parish and attend St Leo's College returned to the Parish for Mass. Father Robert's note to Principal Mr Tony Gleeson sums up the sentiments of those adults who attended.

"It was a beautiful experience to have the Student, Staff and yourself at Mass today. The reverence and prayerfulness of the young is to be congratulated and I would ask that you pass this on to the Student Body. Many of our parishioners commented on how well the students were being polite and respectful of each other at the refreshments. Congratulations to all."

Thanks must go to the parents of St Patrick's who supplied delicious refreshments for the students after Mass, assisted by the parents of St Bernard's, and to St Patrick's school community in general, for their organisation and hospitality.

WELCOME to new Senior Server and Extraordinary Minister of Holy Communion - Stephen Croker, who was instituted last Sunday by Father Robert. We also welcome back Teresa Ashton to the Senior Server Ministry and thank Francis Wong who has filled some gaps in recent months. We appreciate his assistance, especially on weekdays.

Mary MacKillop – An Australian Like Us

While in Penola, Mary MacKillop met the Pastor of that vast district, Julian Edmund Tenison Woods (English priest, scholar and scientist). Vivaly interested in education, he opened a school, but four years later he wrote to Mary in Portland, it 'cannot be properly conducted until you come up yourself.' In 1866, therefore, Mary and Lexie set off by coach for Penola to join their other sister, Annie.

Mary, Annie and Lexie MacKillop used both the Penola church and part of their rented cottage for classes. Their brother John was able to convert a rented stable into a school house, so on 19 March 1866 St Joseph's School was opened. Locals began talking on that day when Mary appeared in a black dress, but were delighted that the new school had 33 pupils and was doing very well. Mary MacKillop wrote to her mother, 'When I was (Lexie's) age (15) I began first to long for a Religious Life.' (1866). It is presumed that she would have intended entry into the Melbourne Sisters of Mercy. In Penola, however, she saw the need for a new kind of Religious Congregation: one whose members could live in isolated places, be free to move where needed, and go where other nuns could not.
